

SA771238

Victorian mahogany Dickins desk.

Price

Sold

Item Reference: SA771238

Date of manufacture: 1870

Description

This is a good quality Victorian mahogany desk known as a Dickins desk. Double-pedestals with miniature drawers and lift up center section to the top. 2 drawers between the top drawers are a later addition. Nine clean condition ready for use. It is 5 feet wide. 3 feet 9 inches to the highest point. 2 feet 6 inches deep. 30 inches to the flat-top desk. You will find these desks for sale for a lot more money I purchased it for a good price making this a bit of a bargain.

Internal Ref: Dickens desk
