Description

This is a particularly clean and tidy Sutherland table in mahogany with the inlay around the edge of the top. With the legs cleaned and the top re french polished, as it was faded when it arrived, it is now ready for its new home. In the slightly more desirable oval shape, this makes a superb occasional table that can be eased into a small space when shut (60 cms by 17 cms) or opened out to a full oval as a coffee table or low side table with one side dropped and the other leaf up. However you want to use this versatile pretty example, you will not be disappointed with this one. Sizes declared below are when open. We have just finished restoring a larger oval sutherland which we will list very soon, it is suitable for dining too. See our web site for more info. Delivery can be arranged to most areas for £60 / £70.
