Description

What a well detailed example we have on offer here. This very clean mirror is intended to fit onto a French dressing table or chest of drawers. In a mellow walnut there is good detailed carving which really sets off this mirror. The glass itself is all good with a nice wide bevel. However it will also make a great overmantle if it is lifted off the trinket boxes, sitting on a fire surround it would look fantastic. It could be gilded if preferred of course. A great price for really good looking item. Give us a call if you would like to discuss Without the triket boxes the sizes are 1160mm high 1040 wide. Sizes below are with them in place
