Description

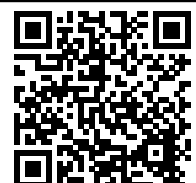

This is a wonderful example of a gents classic wristwatch made by the world renowned premier Swiss maker Longines. It has the calibre 380 27 jewels fully automatic movement. The original dial is in superb condition. It has its original Longines buckle. The model reference number is 1104. It has just been professionally serviced and a new glass has been fitted. The heavy solid stainless steel case has been professionally polished so is pristine. As you would expect the watch is fully marked on the dial, movement and case. It comes complete with a brand new quality brown leather strap. Longines are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 35.5mm in diameter not including the crown. Overall this watch is in outstanding condition and probably the best of this model we have ever come across and highly sought after by collectors. The watch has been fully serviced. It has been professionally overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each part is examined under a microscope for signs of wear, any ...
