Depth = 55 cm (21.7")

Description

This attractive and comfortable desk chair (Circa 1890) is a particularly good example. Not only is it finely constructed and decorated, it also shows that the craftsman/woman took inspiration from some of the period's leading designers and manufacturers, such as James Shoolbred & co. Now this desk chair has been sensitively restored and upholstered in a good quality contemporary fabric, it's ready to be used and enjoyed.
