Description

A high quality Regency dressing table mirror with two drawers and reeded mirror support columns terminating in bronze finials. The frame of the oval mirror is inlaid with ebony stars and bold stringing, complimenting the rich 'plum pudding' mahogany. The brass handles are original, there is a small very minor piece missing from one of them, but this does not take away from the beauty of this mirror and we think it adds to the character. The original glass has a soft quality that adds to the authenticity of this Regency piece. Please note that the images of the glass are edited to remove reflections, the last picture with the reflections shows the unedited glass. c. 1820 Overall height: 32.5" (82cm) Width: 32.75" (83cm) Depth: 10" (25.5cm) Height of base: 5.25" (13.5cm) Mirror height: 22.5" (57cm) Ref: M155
