Description

A well-presented early 20th century antique oak four drawer pedestal filing cabinet by Kenrick Jefferson having four fitted drawers each with brass handles and name plates. Makers name to the top. A particularly good example with attractive colour and patina throughout. Item Ref; M-1815 . DIMENSIONS: Height – 137cm / Width – 41cm / Depth – 73cm . CONDITION REPORT: In particularly good antique condition throughout with some signs of age and wear. General surface wear in places but overall, rather good. The four drawers all run well. Structurally solid and sound. Some modern hardboard has been added to the inside of the drawer by its previous owner to fold specific files – these have been left in but can easily be removed if desired. Our carpenter inspects, repairs, and restores all our items, so you can have full confidence that what you buy from us is home ready! Please take time to carefully look at all the photos as they form part of the description and condition report of this item. . DELIVERY INFORMATION: Cost: £68.
