Description

Antique oak Devon dairy dresser This Antique oak Devon dairy dresser was made circa 1800. It is fitted 4 drawers along the top each with the original brass swan neck loop handles and 3 finely turned legs to the front a straight support to the rear. The base with the multiple wavy slats along the pot board The dresser has the rare feature of the wavy splats along the base back and sides. These were not only for their attractive look but also for practicality. These were to allow air to circulate around cheese and other dairy products. Imagine how wonderful and interesting this rare dresser will look in your home. It is very versatile and can be used in many situations. 202cms wide 79 1/2ins 55cms deep 21 3/4ins 92.5cms high 36 1/2ins All Measurements are approximate, whilst we take care in measuring there may at times be a very slight difference.
