Description

Incredible condition, professionally serviced with 12 month warranty. The dial with the date facility looks to have been restored at some point but is in excellent condition, it has contrasting rose gold hands and baton markers which really does make this watch stand out. It has the calibre 504 fully automatic movement. It has the Constellation logo on the back of the case which is bright and crisp. The diameter is 34.5mm without the crown. It also comes with its original box. It is very rare to find this watch in such amazing condition and much sought after by collectors. The watch has just been fully serviced and is guaranteed to be a genuine Omega in all respects. This watch has been fully and professionally overhauled, the process is highly detailed and meticulous. The watch is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with genuine manufacturers original parts. every part is then thoroughly cleaned in a 3 stage ultrasonic cleaning process. The movement is then fully assembled using manufacturer approved oils and lubricants and is carried out in a clean room environment. ...
