Description

This is an elegant and large antique Victorian teak and brass set ships wheel, circa 1880 in date. This splendid nautical collectable features eight stylish turnking cylindrical spokes ending in handles, and is made from beautiful high-quality solid teak which displays a gorgeous and prominent patina. It has wonderful brass mounts around the circumference on both sides as well as on the hub, which add an extra touch of luxury and redefined style to the entire piece. It is in truly excellent condition and highly decorative, making it perfect as a sumptuous home wall decor. Add this wonderful maritime collectors wheel to your collection. Condition: In excellent condition. As an antique item, the wheel shows signs of use commensurate with age, these minor condition issues are mentioned for accuracy and, as seen in the accompanying photographs, the wheel displays beautifully..
