Description

Antique Waltham pocket watch, 1912. The watch has a stem-winding movement, grade 610, which is working nicely. The movement has exquisitely patterned plates, and it is fully signed and has the serial number 18,824,649 which dates it back to 1912. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is gold plated and was made by the Illinois Watch Case Company. It is in good condition with just light surface marks. The watch glass is in good condition with just minor marking. The dial is in lovely condition with blued steel hands, a subsidiary seconds dial and an outer minute track. The watch comes in a new presentation box.
