Sold**Item Reference: SA772716****Date of manufacture: 1960**

Dimensions

Height = 16 cm (6.3")

Description

Danish sterling silver gilt and enamel Christmas spoon. 1967. This series of spoons were started in 1910 by silver smithy Anton Michelsen, Copenhagen . They made a different shape and pattern every year, with different designers creating a varied Christmas theme. This design is called " Splendour of Yule" and was designed by Paul Rene Gauguin. The spoon is 16cm long and is in excellent vintage condition.
