Description

Extremely stylish and quite rare are these matching pair of English 1930's Art Deco modernist enamel gentleman's cufflinks. Fabulous geometric patterning and colour. Condition is very good with only signs of age to the under link which can't be seen when worn. Ideal for today's dapper gentleman. They have good and secure links making them a wearable item of vintage jewellery. These outstanding cufflinks would make the finest addition to any collection and have been increasingly hard to source.
