Description

A late 19th century/Victorian antique pine country dresser, the open back top having a moulded cornice, and an attractive arrangement of shelves. The pine dresser base has an arrangement of seven fitted drawers each with pine knobs, around a central blind panel cupboard, raised on turned feet. This antique pine dresser separates into two parts for ease of transport and movement. Item Ref: M-1831 . DIMENSIONS: Height - 209cm / Width - 166cm / Depth - 53cm / Surface Height - 89cm . CONDITION REPORT: In good antique condition throughout with some signs of age and wear. General surface wear in places including some age-related marks to the surface top (pictured), but overall, good. The dresser is structurally solid and sound. The pine dresser top can be fixed to the base for extra stability (recommended). One of the hinges to the cupboard door has been replaced at some point in time and remains a little stiff. Rather good colour and patina throughout. A good example of a Victorian antique pine kitchen dresser.
