Description

Fabulously stylish 1930's Art Deco coupe /comport/ fruit bowl originating from Czech republic and made by Karl Palda. This is a great size much much larger than normally found and is deceptively heavy. Fabulous enamel decoration in jet black and daffodil yellow enamels on clear glass. The glass is almost 2 cm in areas, this really does ooze quality. Condition is excellent no damage to note, just normal expected traces of its age. The glass rests on a silver plated circular base a new green felt baize has been added to underneath to protect surfaces. FREE UK DELIVERY
