Description

A stunning antique cut crystal glass table lamp, dating from around the 1920-30's. This is Bohemian glass and was most likely made in Czechoslovakia. This is beautifully made, with gorgeous colours and patterns in the glass. There are also incredibly fine and detailed gilt metal decorations around the base, just under the shade and on the top. This is in superb condition with no damage to be seen, we have just had this re-wired and it is in good working order. Width – 6 inches , 15 cm Depth – 6 inches , 15 cm Height – 14 inches , 36 cm
