Description

In tidy condition having had an earlier restoration this round occasional table is keenly priced. It has a little light fade as is pretty normal, unless just repolished of course, but that gives it a rather pleasing mellow appearance. It has a inlay around the top and it is strung down the legs as can be seen in the pictures. A useful little early 1900s table that will certainly not break the bank. We have waxed and buffed this table and it is now ready for its new home.
