A stunning pair of top quality leather wing back armchairs, in the antique Georgian style, dating from around the 1930's period. They have a gorgeous and unusual shape & are also extremely comfortable, with generous proportions. They have double brass studded edges on the well shaped wings, squared off hump backs and sit on claw and ball feet. We have had these professionally revived by our leather restorer, the leather is buttery soft and in excellent condition, with no tears or repairs & plenty of character, plus a great colour.
