Description

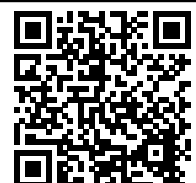

George III period mahogany twin pillar dining table; the ends standing on a turned column on four reeded swept legs on to moulded brass castors; one original and one later leaf. Of excellent condition and beautiful colour. A very adaptable table; comfortably seating up to 14 people. Circa 1815 John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where – in normal times - we hold an Open Weekend every November.
