Description

This pretty bedroom or occasional chair dates from the early 1900s and has been cleaned in our workshops. We have had the seat reupholstered in a fairly neutral fabric that will cause no conflict issues in almost all homes. The top rail is inlaid with a stringing in the mahogany and the legs have stretchers to give the legs support. All in all a pretty and useful item in great overall condition, freshly upholstered and now ready for a new home. Overall height of the back is 96 cms, other sizes below are on the seat.
