Description

1930s Record stem winding pocket watch. The watch has a 7 jewel stem-winding movement identified as Record which is working well. The watch itself measures 50.2mm diameter excluding the winding stem and the loop. The case is gold plated and is the Star model made by the Dennison Watch Case Company. The case has minor marking from use but overall it is in nice condition. The glass lens is in good condition, just a few small marks. The dial has an old repair to the outer edge between 11 & 12 o'clock but otherwise it is in nice condition. The watch has its original blued steel hands. The watch will be sent in a new presentation box.
