Description

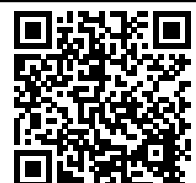

A striking Georgian corner cupboard painted with garden scenes which include figures, buildings, trees and water....The black ground is an excellent foil for the warm gold tones of the design. The cupboard has "H" hinges and four curved internal shelves. The condition can be described as "country house". The back boards are sound and provide stable hanging facility. A very decorative corner cupboard with strong colourful impact. c. 1800 Height: 39.25" 100 cm Depth: 17.75" 45 cm Back corner to centre front: 19" 48 cm
