Description

Gents Fortis Streamline wrist watch, c1960. The watch has a signed 21-jewel hand-winding movement which is working nicely. The movement is signed with the Fortis name. The watch measures 35mm diameter excluding the winding crown and the lugs. The main body of the case is gold plated and it is in lovely condition, just a scratch to the back. The signed stainless steel case back has a couple of short scratches, probably where it has been removed in the past. The lens is in lovely condition. The signed dial is in beautiful original condition with original hands and cross hair detail. A new leather strap has been fitted. The watch comes in a new presentation box.
