Description

Antique Georgian solid mahogany tilt top dining table dating from around the 1790-1810 period, in good original condition & with lots of character. I believe the brass clasp & the under bearers are all original, as are the brass capped casters. The oval top is free from splits or warps & it sits on a strong turned pedestal with quadruple legs. This table is meant for four people & it's very sturdy & stable. It's very good quality too. Width – 51 inches, 129 cm Depth – 44 inches, 122 cm Height – 29 inches, 73 cm
