Description

A burr walnut and mahogany Sutherland table. The top is inlaid with boxwood and ebony stringing, there is a floral marquetry decoration on both sides and a four leaf design inside an oval cartouche to the top. It sits on mahogany turned uprights ending in twin carved rounded feet braced by a turned stretcher. The extending legs are matched turned spindles with porcelain pads to the bottom. There is some pitting to the surface as can be seen in the pictures but this does not detract from the honey colour of the burr walnut. At some time one of the feet has been repaired.
