Description

A lovely antique leather top drum table, beautifully made from mahogany. This is in the antique Regency style, it dates from around the 1920-30's. It is of excellent quality, with beautiful flame mahogany veneers and solid wood lined drawers with fine dovetailed joints. This has lovely original brass ring pull handles and sits on finely detailed brass hairy paw feet with brass casters. The legs themselves are finely reeded & the top edge of the table top is satinwood inlaid. We have had the leather top replaced, hand coloured and gold tooled. We have also had this French polished, it is in excellent condition for its age. The top section does spin around & can also be taken off for easy transportation.
