Description

This is a wonderful example of a gents classic wristwatch made by the world renowned premier Swiss maker Longines. This model is extremely rare with a row of diamonds on the gold and this is set off with silver hands and baton markers, very striking indeed. The dial is in mint condition having been fully restored to the highest standard. The calibre 19.4 manual winding movement is beautifully made, totally reliable and as you can see it's in fabulous like new condition. A new glass has been fitted and the case has been professionally polished. As you would expect the watch is fully marked on the dial, movement and case. It comes complete with a new premium quality black leather strap. Longines are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch is a mid size gents measuring 31mm in diameter not including the crown. The watch has been fully serviced and is guaranteed to be a genuine Longines in all respects. It has been professionally serviced and overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each part is examine...
