Description

A stunning original Art Deco period sideboard, beautifully made from burr maple and walnut. This was made in England, it dates from the 1920-30's. It is of fantastic quality and contains lots of storage space. The burr maple has a gorgeous colour which contrasts beautifully with the darker walnut banding. This has the original bakelite handles on the exterior and interior drawers. The interior drawers have felt lined cutlery dividers. All the drawers are solid wood lined with fine dovetailed joints. We have just had this stripped and re-polished to a very high standard, the condition is superb throughout. Width - 153 cm , 61 inches Depth - 54 cm , 21 inches Height - 99 cm , 39 inches
