Description

A fine example of these prestigious looking clocks that is in first class order. Made by the renowned maker VINCENTI of PARIS, the 8 day movement strikes on a bell on the half-hour and the hour. It has just been fully serviced by our BHI registered staff and carries our usual 12mths. full parts and labour guarantee. The body of the clock is much brighter than our photos show and contrasts beautifully with the red velvet lined plinth on which it stands. To the top is a figure of a winged cherub holding a drawing board and pen. The white enamelled dial has black Roman numerals and lovely fine cut hands. It is totally free from any chips, cracks or crazing. A very impressive piece. All cards accepted.
