Description

For your consideration is this super rare and classic Art Deco ladies manual wind up wrist watch. The movement is made by Didsheim the model is called Locust and it's with a Swiss manual wind movement. This is a fine classic calibre is running well on 15 jewels. Fabulous signed Nov-e-line Universal Quality case. Decorated with lightning bolt lines of black enamelling around the bezel. Enamel is in excellent condition. and the crystal is unscratched. 100% Original hands and dial which are very clean silver tone with a black number pattern. The wrist band is a linked bracelet style with original clasp. The movement is working well & keeping good time having been serviced. The band and watch measure 8 3/4" with the clasp open and closed at the smallest 6 3/4" closed. We can exchange the band for a slim line leather one which offers a larger size than that it is currently on the watch which is really for small / medium sized ladies wrist, we can do this free of charge just let us know. Size: Measures 18 mm side to side (excluding crown) and 32 mm lug to lug. All of our watches are sent out in complimentary presentation boxes, ideal for gifting and to store for per...
