Description

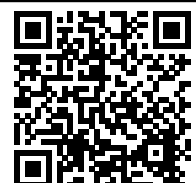

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Zenith. It has a stunning Geneva striped 20 jewel automatic movement, as you can see it is in fabulous condition. The dial is in lovely condition having been restored some years ago. The solid 18ct rose gold case measures 35mm in diameter excluding the winding crown so is classed as an oversize and it has a water resistant case with a screw down back and armoured glass. The case has been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. It comes with a brand new high quality presentation box and premium black leather strap. The case is fully hallmarked. Zenith are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class, a fantastic opportunity to own a piece which is classic looking and a little different from the norm which really stands out. Overall this watch is in wonderful condition and highly sought after by Zenith collectors indeed it looks as if it was rarely worn. The watch has been fully serv...
