Description

A stunning sterling silver and cut glass scent bottle of large proportions, fully hallmarked for William Hutton & Sons, Birmingham, 1902. The scent bottle boasts a foliate design lid which opens to reveal a silver gilt lid interior, a sterling silver neck and glass stopper which sits firmly. The hallmarks to the neck are rubbed but remain legible. The hinge opens with ease and the lid clicks shut as it should. There is some warping/denting to the lid silver but otherwise the bottle remains in a very good condition.
