Description

This antique occasional table is made from a very unusual wood, which I can't quite figure out. I think it could be olive wood, but whatever it is, it has some very distinct figuring in the wood. This table has an inset mirror on the top & a boldly turned base column. I think it could be Brazilian or Italian & possibly from the 1930's period. It's a very useful item, which could be used as a side table or coffee table. Width – 23 inches, 59 cm Depth – 23 inches, 59 cm Height – 24 inches, 62 cm
