Description

A smart and practicable antique mahogany open bookcase. This dates from around the 1900-1920 period. This has adjustable and removable shelves, it is quite narrow from front to back so is quite a useful size. It is of lovely quality and has acquired a beautiful patina, with a warm and rich tone. The condition is very good for its age, we have just given it a good clean and fresh wax polish. There are some light marks and indentations to be seen, commensurate for age. Width – 50 inches , 127 cm Depth – 9 inches , 23 cm Height – 55 inches , 138 cm
