Description

Circa 1910-1940 a pair of decorative brass candlesticks converted into lamps by the previous owner, each lamp weighs just under 1.5kgs. They are both in good condition and have been professionally polished but not lacquered. The lamps measure 39.5cm in height in total; 27cm from the top of candle cup to the base, and the base is approximately 12.5cm in diameter. The previous owner had the lamps rewired and they need to have a PAT test before use to comply with UK regulations. Postage and packing within the UK mainland only is included in the price and for remote areas or abroad, please contact us for a delivery quote.
