Description

A 1919 silver Cyma pocket watch. The watch has a nicely jewelled stem-winding movement which is working well. The movement is signed Cyma. The watch itself measures 50mm diameter excluding the winding stem and the loop. The case is silver and has London import marks for 1919 with the importers mark for George Stockwell. The case has light surface marking and some mild unevenness to the back but overall it is in nice condition for a 1919 piece. The acrylic lens is in nice condition. The white enamel dial is signed with the retailers name H .Samuel Manchester. The dial is in nice condition. The watch has its original blued steel hands. The watch will be sent in a new presentation box.
