## Description

A lovely small pine wardrobe dating from late 19th Century. It offers plenty of storage while remaining quite narrow. It has a single panelled door with turned wooden knob which opens to reveal a large hanging space with a single rail and a shelf above. It has a moulded cornice and stands on a square plinth base with bracket feet below. The pine has a lovely warm colour and has been lightly polished to give a smooth wax finish. It is in good condition for its age and displays well. There are some signs of age and use with light surface marks, scratches, knocks and some minor wear to the finish but nothing detrimental. There are some old marks and stains inside but it is generally clean and tidy. It is strong and sturdy and has been cleaned and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
