Description

A gorgeous little bar brooch in 18-carat gold with a very good royal blue natural sapphire accentuated with a milgrain edge and complemented by a platinum front. The brooch is lovely quality, with an unusual safety catch to lock the bar in place. Supplied with the antique silk and velvet lined box pictured (if you have no need of the box, let me know and I can reduce the price by £25). In very good antique condition, there is a little wear to the platinum front and minor overall surface wear. There would originally have been a safety chain which is no longer present. Size: 4.8 x 0.6cm. Weight: 2.5g. FREE SHIPPING
