Depth = 24 cm (9.4")

Description

Pretty Somerset country cottage longcase (grandfather) clock with painted face arched dial, eight day movement. The white painted face has gilt floral designs to the spandrels and a hand painted landscape in the arch featuring a gentleman fishing in parkland lake with classical architectural buildings sheep on distant hills, "W Preddy, Langport" sign written on the face. Clock in working order with brass faced pendulum and cast iron pair of weights. Oak case with mahogany features. A genuine antique with knocks & bumps expected of its age. Dated circa 1930 as William Preddy is recorded as working in Langport between 1822 & 1839 after which he moved to Bridgwater another Somerset town. Clock case to top of swan neck pediment is 206 cm tall but overall 212cm tall to top of brass spire finial.
