## Description

Victorian mahogany pedestal desk 150cms This Victorian mahogany pedestal desk of the best domestic size of 150cms wide was made circa 1865. The size gives you plenty of workspace and is also not too big for most offices or studies. It is made in 3 parts so that this can easily be transported around your home or office. The top section is fitted 3 drawers, the widest one at the centre above the kneehole and further smaller width ones each side. The pedestals each with 3 graduated mahogany lined drawers. All the drawers have an attracting moulding running around the edges. The replacement leather hide inset writing surface is hand dyed and gilt tooled by our specialist. This is antiqued and you would not know it was not the original, although it is better than the original as we have used a higher quality hide than was placed on it originally. Imagine the good feel you will get sitting at this desk and the pleasure of ownership it will bring. 150cms wide 59ins 84cms deep 33ins 76cms high 30ins All Measurements are approximate, whilst we take care in measuring there may at times be a very slight difference.
