Description

This antique French sofa is in excellent original condition & dates from around the 1890-1910 period. What's nice, is that it still has the original needlepoint fabric which is in very good condition. It has a sturdy solid walnut or beech frame with some subtle carvings & cabriole legs. The open arms are upholstered on the tops & the back has a plain original fabric. The upholstery is all hand tacked onto the frame. We also have a matching pair of salon armchairs in the same fabric & also in good condition. These are showing separately on our site & we would like to sell as a complete set, but not everyone will want them all together. There is an image of them showing on this listing too.
