The dial is also porcelain with a charming cherub amongst the clouds. It is complete with it's original finely fretted gilt brass hands. The French movement is by A. D. Mougin and is of the maker's usual high quality. It is in excellent clean and running condition having been fully overhauled by our clockmaker. Pendulum is original. It runs for 8 days and strikes the hours and halves on a bell. Click the video clip to hear the bell and watch the clock running. Condition of the case is excellent, the original gilding is beautifully clean, bright and crisp. The porcelain is also in excellent condition, some slight wear to the over glaze gilt decoration, very occasional marks and discolouration. A. D. Mougin clockmakers mark on...
