Description

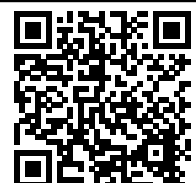

This pair of antique French salon armchairs are in excellent original condition & date from around the 1890-1910 period. What's nice, is that they still have the original needlepoint upholstery which is in very good condition. They have sturdy solid walnut or beech frames with some subtle carvings & cabriole legs. The open arms are upholstered on the tops & the backs have plain original fabric. The upholstery is all hand tacked onto the frames. We also have the matching two seater settee in the same fabric & also in good condition. This is showing separately on our site & we would like to sell them as a set, but not everyone will want them all together. There is an image of this settee showing on this listing too. Width - 24 inches, 62 cm Depth - 24 inches, 62 cm Height - 34 inches, 87 cm Seat height - 17 inches, 43 cm
