Description

A high-quality pair of cut glass decanters with sterling silver mounted collars. This stylish pair look very modernistic and are made off the very best clear crystal glass money can buy. They are very nicely made and the clear crystal glass is superb. The size of these are 10 inches (28 cm) Tall by 3 1/2 inches (9 cm) Wide by 3 1/2 inches (9 cm) deep. These are presented in very good condition indeed all the glass is perfect with just a tiny knock on one of the silver collars at the top, we have photographed this in the last image it really is minute but I thought we'd mention it anyway. These really are a timeless high-quality pair of decanters and will enhance any interior scheme. Hallmarked Mappin & Webb.
