Description

William IV mahogany side cabinet This William IV mahogany side cabinet was made circa 1830. The cabinetmaker used dramatic flame mahogany to give this the lovely fiery colour and interesting look. It has one long drawer under the top and a cupboard below, that have a pair of doors that open to reveal the interior that is fitted a full width shelf. These sideboards are not only attractive but also have little wasted space. They can be used for multiple uses around your home. Imagine how good this will look in place and the pleasure ownership will bring. 92cms wide 36ins 41cms deep 16ins 91cms high 35 1/2ins All Measurements are approximate, whilst we take care in measuring there may at times be a very slight difference. Delivery We can arrange free delivery to UK mainland; we also have a reliable and good delivery service for single or multiple items to Ireland. We can also obtain a quote for items to be shipped overseas. This William IV mahogany side cabinet is a very green product and has not damaged our environment.
