Description

An absolutely magnificent 1960s diamond ring in superior original condition with colourless bright and flawless diamonds which catch the light and sparkle wildly with every movement. . Five graduated baguette cut claw set diamonds surrounded by a border of fourteen round brilliant cut claw set diamonds – all elegantly raised on a fan of 18kt gold spindles. The band is solid 18kt white gold and stamped. . Total diamond weight 2.3 cts and total weight of ring is 5.65 grammes. Ring size L . Recent diamond report and valuation certificate from W.G.I (World Gemological Institute) values the ring at £6,200 and grades the diamonds at VS2 - SI1/Colour F-G. . I operate a full refund guarantee on all of my stock. . This is an absolutely stunning ring with total wow factor and fit for a filmstar! Yet so comfortable to wear due to the crafted curved setting which beautifully follows the contour of your finger. . Price inclusive of presentation ring box, gift wrapping and insured UK delivery.
