Description

Fine antique Regency inlaid marquetry mantel clock having an outstanding inlaid marquetry case, octangular shaped top with pretty ornate brass mounts, brass bezel, porcelain dial with original hands, eight day movement striking on the hour and half hour on a bell. It is raised by a lovely shaped inlaid marquetry support above a magnificent inlaid marquetry panel depicting a horse racing chariot scene, one drawer to the side and raised on an elegant inlaid brass plinth with original brass ball feet. It is in good working order. This is truly a majestic example with so many fine features and crafted to the highest standards. While some clocks may be running at the time of listing we cannot guarantee ongoing performance without a full inspection and testing period by our specialist horologist. Where inspection, testing, or servicing is required this process can take between 2-12 weeks depending on the clock, the work needed, and current workload. This careful approach helps ensure the clock is properly assessed rather than rushed. Clock Wa...
