Description

Offered for your consideration is this unique high end pair of matching Art Deco Walnut bedside tables. The quality in both the timbers and craftsmanship in these cabinets would be hard to match. The exterior features panels of walnut veneer with an attractive hexagonal shape. Both cabinets have a pull out sliding tray which is integral to the cabinets and allows more space to be created for drinks, books and snacks. Below the pull out trays is a single hidden drawer with a very useful spacious open shelf beneath. Finally there is a single door cupboard offering further storage. No expense has been spared, the top is as equally decorative as the sides and front. The colour is a mid tone to light honey colour. All doors and drawers work effortlessly. We've had these taken through our workshops and fully and professionally restored, everything works as it should, certainly these won't disappoint. We also have a matching wardrobe to these, please see our other listings or visit our website. Delivery quoted is for one man, we are able to offer two man at extra cost, please enquire.
