Description

This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Rolex. It has a solid 9ct yellow gold case and is fitted to a beautiful double strand design solid 9ct gold bracelet which just glides around the wrist. The gold starburst dial is superb. It has the Rolex logo on the bracelet and winding crown. It is quite stunning, a new glass has been fitted and the case and bracelet professionally cleaned and polished so it is absolutely pristine. The calibre 1300 movement is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of Swiss watchmaking. As you would expect from Rolex the watch is fully marked on the dial, movement and case, the bracelet and case are fully hallmarked. Rolex are one of the most exclusive makers in the world and this watch certainly has that understated elegance which resonates class. The watch case measures 17mm in diameter not including the crown. It fits a maximum wrist size of 7 inches or 183mm but this can easily be reduced by any competent jeweller. Overall this watch is in beautiful condition, it would certainly make a perfect gift.
