Description

Model reference 14765 with its original solid 18ct gold deluxe textured dial which means it will never tarnish or deteriorate. It has the calibre 552 24 jewel fully automatic movement. The case measures 35mm diameter excluding the winding crown. The model 14765 Seamaster was only produced for one year and is rarely seen with the deluxe solid gold dial. The whole watch is in near mint condition throughout. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. Overall this watch is in outstanding condition and highly sought after by Omega collectors. The watch has been fully serviced and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with genuine manufacturers parts. Each part is then thoroughly cleaned in a three stage ultrasonic cleaning process. The movement is then fully assembled using manufacturers approved oils and lubricants and is carried out in a clean...
